

Larry Wissel
2019 Annual Report

During the last, I have continued to pastor West Union Presbyterian Church in Louisville, MS. In that period, we completed our study of Colossians, worked through the Epistle of James, most recently begun a study of Romans. We are still in the first chapter. West Union continues to support the International Biblical Seminary in Ukraine. However, this past Sunday was the last Sunday of weekly services. We will now meet on the first and third Sundays of each month.

I am now in search of a call to full time pastoral ministry.

Yours in Christ,
Reverend Larry Wissel
