To: Roger Collins <clerk@msvalley.org>

Dear Brothers and Fathers,

I waited until today to write, as we had a meeting of the Ukraine Partnership yesterday in Birmingham. Dr. Richard Watson, at 87, is still leading the efforts of the Seminary. This July, he will have Drs. Richard Pratt and Paul Kooistra teaching. This is the 21st year of the operations of the Seminary and God continues to provide support without money raising efforts.

Back in Louisville, at West Union Presbyterian Church, we continue to worship the Lord each Sunday. This past year, we finished a two year study of the Epistle to the Ephesians and we recently started into a study of Paul's letter to the Colossians.

I am finishing my eighth year at West Union and thank God for His faithfulness and presence each week in our times of worship and fellowship.

I thank the Presbytery of Mississippi Valley for allowing me to labor out of bounds at West Union.

Yours in Christ,

Larry L. Wissel
