Dear Faithful Brothers of the Mississippi Valley Presbytery:

In March 2019, we left Honolulu, Hawaii, where I had worked as a Chaplain clinician at Tripler Army Medical Center. Colleen and I have moved from Hawaii to FT Jackson, SC, where I will be an instructor at the United States Army Chaplain Center and School. I am presently in processing and taking a two-week class on how to be an instructor at the Chaplain School. I am excited to be given this awesome opportunity to instruct new Chaplains, as well renew relationships with other Chaplains and their wives we have met throughout the years we have been in the Army. I look forward to be able to influence and mentor new Chaplains as well as those who are mid-career. Colleen will continue to be involved with Chaplains wives' events as well as entertaining family and friends as they visit us here in South Carolina.

We have been on this adventure for 14½ years so far, and are looking forward to the next 5½ years! What a great opportunity it is to be able to share the Gospel with so many, but we covet your prayers even more in the coming days and months. Pray especially for the soldiers and the Chaplains who care for them.

We are grateful for your faithful oversight, and we pray for you as well.

Prayer Requests:

1. Pray that I would learn my new job quickly as I will be a small group leader this coming summer.
2. Pray for the many Chaplains that I will meet, that I will be able to mentor and help them while they are here at FT Jackson!

Sincerely,

Leonard R. Siems
