university chapel service, and @ 200-250 in the third international all-English KPC service. - ! Once the new elders for KPC were ordained in March 2018, I have continued to moderate at their request the monthly meetings of the new session (including Niel Nielson and Yohanes Halim), as well as moderating the weekly KPC staff meetings as the interim pastor of KPC, and as the invited moderator of the GPRII weekly presbytery meetings (supervising the two daughter mission churches and the university chapel services).
