Hi Roger!

Sorry that this is so late! I've been behind the wheel much more often than I've been behind a keyboard. Here is my report:

Dear brothers of the Mississippi Valley Presbytery,

This past year has been a fruitful and joyful one for us in Thailand. In November of 2014, we finished our first term as missionaries to Bangkok, Thailand, and returned for our home missionary assignment in order to transition to 'Career Missionary' status with MTW. As for the work in Bangkok, we saw God raise up a session and a Thai pastor to lead the congregation of New City Fellowship Church in Bangkok. As we prayed for direction for future ministry, God opened the doors for us to plant a new MTW team and a new Thai church in the northern Thai city of Chiang Mai. If the Lord wills, we will move to Chiang Mai around the end of July in order to begin the process of studying the culture, networking with Thai believers, and getting to know our neighbors with the hopes of planting a Thai church.

Besides this new direction and calling in our ministry in Thailand, God has also blessed us with a beautiful daughter, Abigail Bree Adams, born February 8, 2015. Our time in the US visiting churches has been fruitful and our churches have cared for us well during this time of great transition. We ask that you pray for us as we begin the work of church planting in a new city in Thailand, that God will grant wisdom, patience, and humility as we engage the locals. Also, we ask that you pray for God's provision of 2-3 national partners with whom we will be able to plant this work. Finally, pray for wisdom, holiness, and protection spiritually, personally, and maritally for Kiki and I as we serve together and as we learn to be parents. Thank you for your prayer and support. God bless!

Grace and Peace,
Trey Adams
