Roger and Brothers in Christ,

It is a blessing to report to you of the Lord's faithfulness to Rosie and me as we continue to visit various churches so that I may have the privilege of filling the pulpit and lead worship and preach the excellencies of Christ Jesus from His Holy Word. Please pray that the Lord will keep us in good health and provide weekly opportunities to continue in this way to serve the Master.

Many thanks also to the MVP for allowing me the opportunity to serve in a limited capacity by seeking to visit and to aid the senior members of the former Trinity Presbyterian Church in their transition to other faithful churches within this Presbytery. It is a joy to be able to serve in this way, and my wife and I thank you for the monetary compensation and mileage reimbursement that goes along with this. It is a great help to us. The goodness of the Lord Jesus is clearly seen in His faithful provision for His people and for His giving us a calling and ministry of service to His people.

May God keep His Hand of grace upon you all,

Earl
