Wayne Herring Annual Report To Presbytery

1. Work for PCA General Assembly Administration Committee: I mainly do development work. This year, so far I have contacted over 200 Churches around the USA. Some churches I thank for their regular support; other churches I ask for an increase or to begin support for the first time. My goal is to contact around 300 churches by the end of the year. I have been doing this for 9 years and this is the best year I have ever had. I also counsel with a few churches on occasion but this is mostly handled out of the office in Atlanta. I attend the AC meetings twice a year, and always attend the General Assembly unless providentially hindered.
2. I do get asked to supply preach fairly often, and I enjoy this ministry. I have preached in Westminster Vicksburg, Brandon, Pine Haven, Providence, Carthage, Indianola, Memphis, Nashville and a few others.
3. I will be teaching "The History of The Reformation" this Fall on Wednesday nights at First Presbyterian in Hattiesburg.
4. I meet with several RTS students and other pastors on a regular basis.
5. I assist Bebo Elkin with the work of Consulting Services Foundation.

Finally, I am happy to be back in Mississippi after being away for almost 30 years. The loss of Joyce was very difficult, but God has graciously given me Dena, who had also lost her spouse about the same time back in 2014. We spend most of our time on her farm in Raymond (where i do a lot of mowing!) but also at Eagle Lake in Vicksburg, and my home in Franklin, Tn. I have 18 grandchildren that I enjoy very much.
