My report is almost exactly the same as last year. I continue to work as the Chief Development Person for the PCA Administrative Committee. I continue to help Bebo Elkin with Consulting Services Foundation. I have preached fairly often in most of the same Churches as last year with the addition Pearl Presbyterian, and Decatur PCA, Decatur, Al. I continue to serve as a Temporary Elder at Raymond Presbyterian Church.

I am happily married to Dr. Dena Gibson (6 years now) and we have had an additional grandchild born this year which makes 22. I continue to keep up her property; and I also travel to Franklin, Tn. every month or so, to check on my property there and visit families.
