In the midst of Pandemic Uncertainties In Indonesia in which most of peoples are forced to stay at home, and so many peoples are suffering, we found that several different ministerial opportunities were given to us. Almost every week we are invited to give seminars on many different topics (by Zoom) from churches and Christian organizations That were attended by Indonesian Christian around the world. This is completely new that we don't have it before .

Me and Esther are still fully teaching At the Reformed Theological Seminary in Indonesia and do a lot of counseling Ministry . For the new semester I will teach Spiritual Formation, Reformed Evangelical Theology, Pastoral Counseling I, practicum , and Theory and Practice of Counsring I.

My new book on "Integration between Theology and Psychology : A way to experience faith victory " was published last year and it become one of the best seller in Indonesia . That is my 14th book.

Hope that all is in His protection and blessings as always .
