

Dear Praying Friends:

I know a prayer update is LONG overdue! We have several things to share with you.

It's "marryin' season" around here! One couple from our church got married in March, another is getting married this weekend. These young couples are very committed to Christ and His Church, and for that we **praise the Lord!**

Easter is coming on fast! Thanks to an ever-increasing interest in "church" among the folks here, we will be having an Easter Cantata. Choir members number around 20, and they've been working hard to make Easter Sunday's Worship Service special and memorable for all who will attend. **Please pray for the Lord to bless greatly.**

One of the traditions at churches here in the Cayman Islands is a Good Friday worship service. **Please pray** that the Lord will touch folks in worship on Friday, April 22nd.

We have several special things planned for May. One is the long-anticipated "sex seminar," which we're calling, "The Bible, The Christian, and Modern Sexuality." It is planned for Friday evening, May 6th. We are urging all parents, youth and single adults to attend, and we'll be extending the invitation to other churches in the community. **Please pray** for the seminar, the material that will be presented, and the response of those who attend.

At the end of May, we will be hosting one of our fellow Caribbean missionaries, Gordon and Marilyn Woolard. As a part of their stay with us, Gordon will be teaching a seminar on "how to study the Bible" on Saturday, May 28th. **Please pray** for a good attendance and participation among the folks.

Leadership Training for current and prospective Elders and Deacons will begin in May and run for 8 to 10 weeks. **Please pray** for God's direction in what material to present and how best to present it. **And pray** for the men who are renewing their commitment to leading and shepherding the flock at Boatswain Bay Presbyterian Church.

And there's MORE! We will soon be starting a "Children's Church" worship on Sunday mornings. A committee of committed parents and other adults made a very good presentation of what they want to do and how they want to do it, and the Session of the church has given the OK. No firm start date has been decided, but it could be in May or early June. **Please pray** for this new ministry to our children!

I still have more to share with you, but I'll save it for next time!

Thanks for remembering to pray for the Smiths as we serve the Lord in the Caribbean!

In Christ,

Ron and Peg
