Moving Out, Moving In, Moving On

Dear Quarterman Prayer Team,

(See regular updates at www.ClayQ.com)

No, we are **NOT moving!** But everything is moving around us like a carousel. We've been *moving around* a lot, with conferences in Scotland and the Netherlands, visits to our churches in Izmail and Belgorod, a visa registration trip to Turkey, vacation in Seattle with our kids (Kendra pictured at left), and three trips to Kyiv for seminary and tutorials. Whew!

But all this moving indicates progress: Since the **Actors Guild** *moved out* of our church building ground floor, we're *moving in!* The **Counseling Center** renovated an office there and *moved in.* Church member Erika is also *moving into* an office there, starting a new **Leadership Development ministry.** She coached 12 young adults from our church this spring, and it was a great success! The church is redoing a nursery and pastor's office, and they need funds for their new **Arts Center** ministry! (room pictured at right) It's great to see this space in use for the Lord after being so long in court!

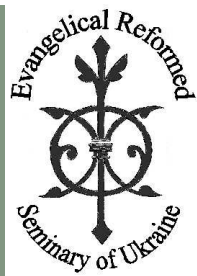

Steve and Dawn Sparks are *moving to Ukraine* this month to join our **seminary staff.** He's helping us *stay on the move* as an organization. We've already made changes, installing a grading website that enables us to **track student progress.** This is a key area for extension education and mentoring!

Some of our team are also *moving on.* Adeline Wallace is leaving the field, as well as close friends from other missions. Most of our colleagues are on Home Ministry Assignment: the Burnham & Martin families left us for a year! Ukraine team leader Jon Eide and seminary colleague Jos Colijn are away for the summer. It would be lonely if we weren't so busy! Seminary staff member Scott Andes also had to *move* unexpectedly, since his landlady broke their contract on a whim.

After **graduation** in September, several seminary students will be *moving on* into new ministries. Graduate Kolya Koretsky was **ordained** in May (pictured) and will be *moving back and forth* to Holland for graduate studies this year. (donations needed to Stipend Acct #95987) Our son Lex also graduated and *moved out* to Los Angeles to pursue his acting career.

Keep us moving with your prayers and support!

Thank You!
Clay & Darlene Quarterman
